

What is Cellular Health & Beauty?

Come join us and experience Tesla like, cutting-edge vibrational therapies while listening to our newest resident and member, Evangelia Vensel present exclusive information about the health and beauty benefits of vibrational therapies, along with her testimony of transformational healing after years of being bedridden. Come learn how you can discover the root cause to any symptom or health issue, and how you can take your power back from any illness or chronic issues with alternative, vibrational therapies.

VIBRATIONAL WELLNESS

Pulse PEMF Therapy

Pulse PEMF Therapy sends healing and repairing voltage to damaged cells and areas of the body that are low of charge needing cellular repair and extremely transformational for autoimmune diseases and chronic pain.

Photon Light Therapy

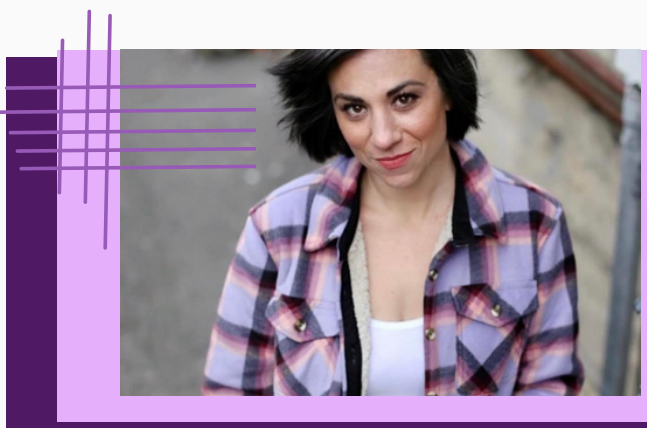

Photon light frequency therapy reaches 8 inches deep into the skin to help repair skin damage, internal & external scars, breaks up scar tissue, reduces inflammation and delivers light charge and healing to the cells.

Frequency Water

Personalized vibrational water imprinted with frequencies that bring balance and harmonization to the bio-magnetic field and cellular system.
